**SKYPANEL®**

SOFT LIGHTING | REDEFINED

# SKYPANEL®

The ARRI SkyPanel is an exceptionally versatile LED soft light – compact, fully tuneable and delivering light of unsurpassed power and quality. Because different application areas call for different lighting needs, SkyPanel has been designed as a series of fixtures. The mid-range S60, the smaller and more portable S30, the long aperture S120, and the new S360 fills out the family with the largest aperture and a brightness four times that of the S60. With SkyPanel, the sky is limitless...
