ALEXA 35 - Multicam Extension Sets

For owners of existing ALEXA 35 cameras.
PL Mount (Hirose) recommended.
Please note that the extension sets will be available at a later date.

As long as the FCA is attached to any ALEXA 35, it enables the Multicam license features in that camera. The ALEXA 35 then has all the features of the ALEXA 35 and of the ALEXA 35 Live. To use an ALEXA 35 in a multicam production without an FCA (for instance for ARTEMIS, TRINITY or Spidercam), a Multicam license has to be purchased. Each ALEXA 35 - Multicam Extension Set includes a 40% discount voucher for a Multicam license.
