

RCP Pro ARRI Exclusive

SKAARHOJ RCP Pro ARRI Exclusive - Camera Shading Panel for ARRI

The RCP Pro ARRI Exclusive is a camera shading panel built for ARRI cameras. A dedicated joystick handles iris and black level, with a built-in tally light and OLED screen that shows live iris values. Eight smooth encoders give precise, tactile control over shading, and the large angled screen keeps values easy to read. Customizable knobs and buttons let each operator set the panel up the way they work. Blue Pill Inside, SKAARHOJ's control platform, drives reliable, in-depth control of ARRI's cinema and broadcast cameras.

Benefits

- Modern design that fits newly built or refurbished OB trucks.
- Proprietary RCP Handle and OLED display for full hands-on control.
- Smooth encoders for precise, comfortable shading adjustments.
- Reliable, in-depth control of ARRI cameras through Reactor and Blue Pill cores.
- A dedicated OLED display per encoder for clear, immediate feedback.
- Compact layout that makes the most of limited desk space.
- Built for professional camera shading.

Features

- Joystick for iris and black level pedestal
- 8 buttons for camera selection and presets
- 8 smooth encoders for shading and menu navigation
- Clear display for monitoring values
- Joystick pad for PTZ cameras
- Four-way buttons for shortcuts and camera settings
- Built for ARRI camera control
- Industry-standard form factor
- User customization with Reactor Web UI
- 1G Ethernet w/Power over Ethernet (PoE IEEE802.3af/t)
- Designed and made in Denmark

Hardware Specifications	
Component Highlights	Smooth encoders for refined shading adjustments SKAARHOJ exclusive fader handle with display, LED, pedestal ring and push function ('Sony feel') Raised Display
Connectivity	
Networking	1G Ethernet w/Power over Ethernet (PoE IEEE802.3af/t)
Power Supply	12V DC Jack 5.5mm x 2.1mm x 10mm Center Positive PoE IEEE802.3af/t
Service Port	Micro USB for setting manual IP
Peripherals	3 channel GPIO (3 opto-isolated inputs / 3 relay outputs)
Software	
Platform	Blue Pill (Reactor, Device Cores, skaarOS Linux)
Licenses	Full Reactor and Device Core licenses included
Physical and Shipping	
Product Weight	1289 g
Shipping Box Weight	2054 g
In The Box	(This Product) 12V Power Supply: Manufacturer: PHIHONG, Model Name: PSA15R-120P, Output: 12V/1.25A, Cable Length: 1.5m, Adapter type: EU, GB, US, AU depending on shipping country, DC Output Connector: 5.5mm x 2.1mm x 10mm Center Positive Getting Started Guide
Recommended Accessories (not included)	Ethernet Cable: Cat 6 S/FTP or better
Country of Origin	Denmark
EAN Code	5714074002529
